## 4.1 Physical Facilities

### 4.1.1: Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution

Vipra Kala, Vanijya Avam Sharirik Shiksha Mahavidyalaya has a well-developed campus. It is equipped with modern facilities and learning resources to achieve academic excellence according to its vision and strategic objectives. The infrastructure facilities and learning resources are categorized as under:

- Learning Resources include resources and infrastructure required for library, laboratories, computer centre and class room teaching.
- Support facilities include hostels, canteen, conference hall, indoor hall and seminar halls for organizing events, meetings and conferences, Cells/committee rooms and sports grounds.
- Utilities include safe drinking water, restrooms and power generators.

Classes are scheduled for optimal utilization of the available physical infrastructure. Sophisticated equipment available in the laboratories is not redundantly duplicated and availability is ensured by judicious time-sharing. Sharing of laboratory facilities is also encouraged between faculties.

Apart from the central facilities, such as, Computer Lab, Central Library, there are many laboratories that cater to students from other faculties.

The Institute continuously strives to create and enhance infrastructure both in terms of buildings and other facilities to provide a good teaching-learning environment. The Library at Vipra College is integrated knowledge resource centre.
