### 4.3: IT Infrastructure

#### 4.1.3.1. Number of classrooms and seminar halls with ICT facilities

Computer lab is well-equipped with PC's adequately supported by internet connectivity. It is also equipped with a wide range of licensed system software and application software. The entire campus is connected with LAN Messenger. Computer labs are well connected to the internet help students and faculty to carry out their academic and other work. Lab assistants are available to support students and faculty in their queries. The Computer department extend the complete support to the students. It is made available by setting and installing the Wi-Fi zones at various locations such as Reading halls, Principal's Office, all the HOD Cabins, Hostels, Department corridors and at the Green lawn area. Staff and Students can access this facility on their Laptops by registering themselves. Additional BSNL land line connections are available.

We have well equipped lecture halls in the college, a multipurpose hall which is fully equipped with smart board and other ICT facilities. It is used for several purposes like organizing classes at interdisciplinary level, organizing workshops, seminars and conferences and many cultural and literary activities. We smart board enabled classrooms which serves when diverse students are taught ICT based topics and for presentation purposes. Classrooms are equipped with LAN and WI-FI. Library is equipped with LMS facility. ICT enabled lecture halls are regularly used by the faculty members and students in the college. These classrooms are equipped with LCD also.
