*Attainment of programme outcomes and course outcomes are
evaluated by the institution*

Principal

**Dr. Meghesh Tiwari
Vipra Kala, Vanijya Avam
Sharirik Shiksha Mahavidyalaya
Raipur, Chhattisgarh**

विप्र कला वाणिज्य एवं शारीरिक शिक्षा
महाविद्यालय, जी.ई. रोड रायपुर (छ.ग.)

The level of attainment of Program Outcomes, Program Specific Outcomes and Course Outcomes are measured using various indicators throughout the semester of the academic year.

The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process. The faculty provides home assignments to students, conducts internal tests, viva voce, surprise tests, open book tests, quiz, projects etc. in order to assess the Programme Outcomes and Programme Specific outcomes attained by each student.

Some of the key indicators of measuring attainment are:

1. **End Semester/Year University Examination**: Being a constituent college of Pandit Ravi Shankar Shukla University, the students of Vipra kala vanijya avam saririk shiksha Mahavidyalaya are required to take examinations as per the semester and annual pattern set by the university, through which the institution measures programme outcomes based on the course attainment level fixed by the programme.
2. **Internal Assessment**: The Internal Assessment constitutes 25% weightage of the total marks (80/100) in each subject. The students are given assignments which are designed in alignment with Programme Outcomes of the respective subject. Additionally, internal/unit tests, Quartely/Half yearly/Pre-Annual/Pre- semester Exam , Internal viva etc. are conducted repeatedly in a semester to judge the performance of students on a regular basis.
3. **Practical Assessment/ External Assessment**: It is evaluated by inviting external experts appointed by the university to evaluate each student by conducting Practical examinations, and taking Viva-Voce and evaluating the practical files.
4. **Result Analysis**: At the end of each semester and year result analysis of each course is carried out using Result Register indicating the percentage/Division of students obtained. This is an effective indicator in order to evaluate the level of attainment of POs, PSOs and COs as specified by the university.
5. **Internships and Placements**: Internships, projects, fieldwork, etc. are all recommended for students to pursue. The college's placement cell supports and polishes students in accordance with industry standards and gives them several possibilities to land jobs with prestigious businesses. This aids students in gaining the knowledge and expertise required for success in their field of study.
