

## Report

### Guest Lectures organized by Department of Education

#### Session 2017-2018

In the session 2017-2018, Department of Education, Vipra Arts, Commerce & Physical Education College, Raipur (C.G.) had organized two Guest Lectures. The first Lecture on "Intelligence & Structure of Intellect" was held on 25th September 2017 and second Guest Lecture on "Guidance & Counselling" was held on 14th October 2017. The course has been included in curriculum of the Teacher Education programme looking at the necessity of the concept in the modern pedagogy.

The lecture on 25th September 2017 was taken by **Ms. Kusum Sahu**, Assistant Professor, Institute of Teacher Education, Pt. RSU, Raipur, (C.G.). She delivered on "Intelligence & Structure of Intellect" to B.Ed first semester students. Since the B.Ed training course comprises of understanding the psychology of students & Intelligence is the major aspect of Educational Psychology, the importance of the topic. Teacher should be aware of all the dimensions of Intelligence. Guilford's Structure of Intellect advocates three major dimensions of intelligence - context, operation & product which enables to find the solution of severe problem. Its Educational implication wills certainly, assist B. Ed trainees to understand how students learn, understand and perform abstract thinking. The session was very wonderful.

The second Guest Lecture on "Guidance & Counselling" was held on 14th October 2017 was delivered by **Dr. Vartika Sharma**, Govt. NPG College, Raipur (C.G.). She talked about different dimensions of carrier choice and also talked about job interview. She gave her lecture very impressive manner. The lecture was attended very actively by the students.

Topic - Intelligence and Structure of Intellect.

Today on 25<sup>th</sup> September 2017, I deliver a lecture on "Intelligence and Structure of Intellect" to B.Ed. I Semester. Since, the B.Ed. training course comprises of the understanding the Psychology of students and Intelligence is the major aspect of Educational Psychology, the importance of the topic thus increases. Student Teachers should be aware of all the dimensions of Intelligence.

Guilford's Structure of Intellect advocates three major dimensions of Intelligence - Content, Operation and Product. Which enables a mind to find the solution of given problem. Its educational implication will certainly assist B.Ed. trainees to understand how students learn, understand and perform abstract thinking.

It was pleasure to interact with the student teacher. They were taking interest and taking provided full participation actively.
