About workshop- The goals of India's new educational system are outlined in the National Education Policy. In both rural and urban India, the policy provides a complete framework for education from early childhood through higher education. It also covers vocational training. This workshop's main goal is to familiarise teachers with the National Education Policy and equip them with the knowledge and skills they need to comprehend its nuances, curriculum changes, shift in pedagogical skills, and implementation for the holistic development of its stakeholders, the students. This NEP workshop's main topics will be diverse innovative teaching approaches, problems, and opportunities for prospective teachers.

Objective of the workshop:-

- ✚ To discuss the vision of NEP-2020.
- ✚ To create awareness about structural reforms in education system.
- ✚ To discuss and analyze curricular, pedagogical reforms suggested in the policy.
- ✚ To discuss the role of learners, teachers and society in policy implementation.
- ✚ To develop understanding among participants about the access, equity, quality and inclusion as the underlying principles of the policy.
- ✚ To discuss the policy provisions pertaining to multidisciplinary education, teacher education, vocational education and technology in education.
